I have the honour to invite kind reference to para 12 of Circular No. 1, dated the 12th March 1940 in the matter of the preparation of Charge Lists and to state that, as at the last Census, all the Town Municipalities will be treated as separate Charges. It may however be desirable to treat some of the Minor Municipalities also as separate Charges on this occasion on the ground of the Amildars of the Taluks not being Presidents of the Municipal Councils of such Minor Municipalities or for other administrative reasons. In such cases proposals may kindly be made for the formation of the additional Charges stating clearly why the change is considered necessary.

I have the honour to be,

Sir,

Your most obedient servant,

P. H. KRISHNA RAO,

*Census Superintendent.*

**SUBJECT:—Special arrangements for Certain Institutions.**

SIR.

*Slag V.*

In continuation of my Circulars Nos. 1 and 1-A, dated the 12th March 1940, regarding the formation of Census Divisions, I have the honour to state that special arrangements will have to be made by the Presidents of City areas for the Census of the Palace in communication with the Palace authorities. Similar arrangements have also to be made for the Census of Jails, Hospitals, Barr and Silledar lines and similar institutions within the City and Urban areas, in communication with the Officers in charge of them. These institutions should be treated as separate blocks and the Charge Superintendents, concerned should see by personal inspection and suggestion that the enumerators employed do their work correctly.

I have the honour to be,

Sir,

Your most obedient servant,

P. H. KRISHNA RAO,

*Census Superintendent.*
